

ECM TEAM

ENTERPRISE CONTENT MANAGEMENT TEAM

Who we are

We are a group of experienced ECM consultants and engineers able to understand and adapt to our clients' business processes, recommend improvements in document flow and integrate ECM tools with existing systems. We have successfully built ECM systems in telecommunications and public sectors (government sessions, Constitutional Court, prosecution offices, etc.), that support thousands of users.

Number of team members

10 consultants and engineers, 2 presales, 2 project managers
